

Call to Artists June 2026 Show

De-Lish: Food For Thought

De-Lish: Food for Thought is a vibrant and imaginative art experience that explores the deep connections between food, culture, memory, and identity. This exhibit invites artists and viewers alike to reflect on how food nourishes not only our bodies, but also our stories, traditions, and creativity.

From playful and whimsical interpretations of favorite treats to powerful statements about sustainability, community, and access to food, this show serves up a rich visual feast. Each piece encourages us to pause and consider:

What feeds you—physically, emotionally, and socially?

Come hungry for inspiration and leave with something to think about.
