

GIFTS OF JOY!!

Time for makers to start creating gifts for the Gifts of Joy show beginning Nov 28 with the gallery open Fridays and Saturdays until Dec 19.

This show is about making art affordable and crafts that show an artists touch. Since we want people to see art as a perfect gift we ask makers to keep prices affordable with nothing priced over \$100.

Let's make this the biggest year yet of incredible gifts. Small paintings, jewelry, hand sewn and hand crafted items, one of a kind gift items, and things you'd like to receive as a gift.

Date to hang will be November 23. We will plan on one panel/table per artisan and go from there.
