

JUNE 2025 SHOW

UNLEASHED - THE ART OF DOGS

Unleashed - The Art of Dogs is a joyful, heartfelt celebration of our canine companions and the many ways they inspire creativity. From loyal sidekicks to mischievous troublemakers, dogs have long captured the imagination of artists with their boundless energy, expressive faces, and unwavering devotion.

This show invites artists to explore the essence of dogs-not just in form, but in spirit. Whether through playful sketches, soulful portraits, whimsical sculptures, or abstract impressions, Unleashed is about more than just representation; it's about connection. It's about the way a dog's presence can ground us, lift us, and bring out our truest selves.

We welcome all interpretations-realistic or surreal, reverent or humorous-as we celebrate the art of dogs in all their shapes, sizes, and stories. This is a show for anyone who has ever loved a dog, been loved by one, or simply admired the joy they bring into the world.
