## Theme: Paint it Loud, the Art of Rock & Roll

Step into a world where music and art collide in an electrifying visual celebration of rock & roll! *Paint It Loud* is an immersive art exhibition that amplifies the raw energy, rebellious spirit, and iconic imagery of rock music through stunning works of art.

From explosive colors and bold strokes to intricate portraits of legendary artists, this show captures the rhythm, passion, and attitude that define rock & roll. Whether inspired by classic album covers, legendary performances, or the underground grit of rock culture, each piece tells a story of sound and soul.
